

KÄSE REBELLEN

Käse rebellen receives IFS and BRC certificates

March 2011

It is with great pleasure that Käse rebellen announces that the superior quality of their cheese specialities has now also been certified on an international basis. In the first months of 2011 the facilities of Käse rebellen were controlled and monitored according to IFS and BRC standards.

Now, it is officially certified that Käse rebellen meet the requirements set out in the International Food Standard (IFS) at a higher level.

In addition, Käse rebellen meets the requirements of the Global Standard for Food Safety (BRC), and even achieved a grade A in this evaluation.

On the basis of both these quality standards and the excellent results achieved, Käse rebellen is delighted to prove to its customers the superior quality of its products.

Should you require any further information, please do not hesitate to contact us at any time. We are looking forwards to hearing from you .
